

Environmental Care Association of Idaho is serving all lawn, pest, tree, and shrub companies that benefit man's environment by controlling insects, plant diseases, weeds, and rodents in Idaho.

ECA of Idaho Scholarship Application

The ECA Scholarship was established in 2001. One or more \$500.00 scholarship(s) are awarded each year, however the Environmental Care Association of Idaho is under no obligation to grant the awards if the selection committee determines there are no suitable applicants. The scholarships will be given directly to the recipient. Applications are due in to the ECA office by **November 10th** and awarded at the annual conference. Through this scholarship, it is ECA members hope to help enable the youth of today to realize their dreams of tomorrow.

Eligibility Requirements

Available to any student enrolled in an accredited two or four-year program in the state of Idaho and pursuing a degree in pest management or related industry.

Scholarship awards will be based on scholastic record as well as student's drive towards employment in an ECA related industry and future goals and ambitions.

The following documents should be enclosed with this application before returning:

- A one-page typed essay stating why the applicant is interested in employment in an ECA related industry and future plans and goals.
- Two letters of recommendation: one from a community member evaluating you as a citizen, and the other from a professor or teacher.
- School transcript
